Dear Mr. Vodoor:

We are in receipt of your letter dated February 18, 1992 respecting your request that TAP Pharmaceuticals Inc. ("TAP") consent to HIP's provision of information respecting our pharmaceutical products agreement dated _____ to the General Accounting Office ("GAO"). We understand that the GAO is seeking the information as part of a study of prescription drug prices.

TAP is consenting to HIP's disclosure of information to the GAO for the purpose of this study based upon TAP's understanding from HIP that (i) the GAO will not publish or disclose to others any data from the study that would specifically identify TAP, its products or its product prices; and (ii) HIP is only submitting to the GAO information regarding those TAP products that fall within the two categories of prescription drugs described in the GAO's January 14, 1992 letter to HIP (a copy of which is enclosed), and that the product information disclosed will be limited to the items of requested information identified in the attachment to that letter.

Very truly yours,
